Thank you for your continued partnership as we strive to foster more meaningful connections with Jewish teens today, and more confident and compassionate adults tomorrow. To highlight the renewal and expansion of our programs, as well as meet teens where they are, we are excited to announce some changes to our program and group names, including updated visual signatures. On page five, you will find the updated visual signatures that we request you use going forward.

Branding Guidelines for Moving Traditions’ Partners

Moving Traditions Logo

When promoting programs and/or groups from Moving Traditions, please use the approved version(s) of the logo. We have provided variations to accommodate different contexts.

Preferred version
Full-color (PMS/CMYK/RGB), without tagline.

Grayscale
In certain contexts, only black and white or grayscale printing may be available. In these scenarios, we recommend that you use the black and white or grayscale versions of the logo to optimize legibility and impact.

Knockout (white)
The knockout version is for use on a dark background or photograph. When using this version, please ensure that the background color or photograph is dark enough to provide enough contrast for the logo to appear clear and legible.

Clear Space and Minimum Size

Clear space
Keep the logo clear of competing text, images and graphics by maintaining the minimum amount of clear space, equal to the size of x on all sides.

Minimum size
Keep the logo legible by always using it in sizes equal to or greater than 0.25” high for print, and 25px high for digital applications.
Moving Traditions Programs

Moving Traditions programs should be communicated in text only.
